Re: Regulation of Prepaid Card Services, WC Docket No. 05-68

Dear Ms. Dortch:

This letter corrects my earlier ex parte notification in this proceeding dated November 2, 2005. That letter incorrectly stated the date of the meeting as August 23, 2005. On November 2, 2005, Albert H. Kramer, Allan C. Hubbard, and Robert F. Aldrich of Dickstein Shapiro Morin & Oshinsky, on behalf of the American Public Communications Council ("APCC"), met with Thomas Navin, Chief of the Wireline Competition Bureau, Legal Counsel to the Bureau Chief Ian Dillner and Jeremy Marcus, Pricing Policy Division Chief Tamara Preiss, Deputy Pricing Policy Division Chief Steve Morris, Acting Competition Policy Division Chief Terri Natoli, and Carol Pomponio and Lynne Engledow of the Bureau staff. We discussed APCC's positions in this proceeding, which are fully detailed in APCC's comments and reply comments.

Sincerely,

Robert F. Aldrich
